SIR:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 and § 1.97 to inform the Patent and Trademark Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Attorneys for Applicants hereby direct the Examiner's attention to references CJ listed on the attached revised form PTO 1449 entitled "List of References Cited by Applicant." A copy of reference CJ is submitted herewith.

Identification of the listed reference is not to be construed an admission of Applicants or Attorneys for Applicants that such reference is available as "prior art" against the subject application. Consequently, Applicants respectfully decline to use form PTO-1449, since this form identifies the reference cited therein as "Prior Art." As an alternative, Applicants submit herewith a "revised form PTO 1449" entitled "List of References Cited" instead of "List of Prior Art Cited."

Applicants respectfully request that the Examiner review the foregoing reference and that the reference be made of record in the file history of the application.

Since this Information Disclosure Statement is being submitted before the mailing date of a first Office Action on the merits, no fee is believed due. However, should the Patent and Trademark Office determine otherwise, please charge any required fee to Pennie & Edmonds LLP Deposit Account No. 16-1150. A copy of this sheet is enclosed for accounting purposes.

Respectfully submitted,
